

Press Release

21st Century Skills for Students being Disseminated under the Erasmus+ CBHE Project (co-funded by European Union)

Symbiosis Law School, Pune (SLS Pune) which is one of the foremost law schools in India and has recently been ranked as the 3rd best law school in India under the NIRF rankings is spearheading the mission to reconstruct the existing education system. This is being done by incorporating 21st Century Skills which have the potential to revolutionize the Indian system of pedagogy and is in consonance with the National Educational Policy 2020. The United Nations Sustainable Development Goals also envisages ensuring quality education for all.

Under the aegis of Symbiosis International (Deemed University) (SIU), SLS Pune is the recipient of an impressive number of Erasmus+ Projects co-funded by European Union. One such unique project is the Erasmus+ CBHE Project “**Teacher training with specialization on life and information technology skills**” (21st TS) which aims to carry forward the concept of 21st Century Skills that are key for creating an impact on the education system of its Asian partner countries India, China and Cambodia.

As the Indian National Education Policy of 2020 focusses upon teaching and learning beyond the curriculum, the skills of critical thinking and creativity need to be emphasised upon. 21st century skills include these skills along with the aspects of collaborative problem-solving skills, global awareness, lateral thinking, self-initiative, self-direction, adaptability, metacognitive skills, empathy, employability skills such as Digital Quotient, cross cultural competencies which are essential for the modern education system for inclusive development and to promote a shared prosperous future.

Furthermore, under the project the module prepared by the Symbiosis International (Deemed University) on Critical Thinking Skills and Collaborative Problem-Solving Skills also strives to bring back the indigenous Indian tenets of teachings, especially from the ‘Nyaya school of thought’ and Gandhian perspectives.

SLS, Pune is currently hosting the 2nd Study Visit under the project in which the university leaders from all the partner organisations will participate in the project meetings and conduct training programmes from the 10th to the 15th of October 2022 and press meet is hosted to disseminate the developments, interact with experts and to impact public.

The participating organisations of this project are:

Partner No.1: PANEPISTIMIO IOANNINON (UOI), University of Ioannina, Greece – Coordinator

Partner No.2: Klaipeda University (KU), Lithuania

Partner No.3: Novel Group Sarl (Novel Group), Luxembourg

Partner No.4: Symbiosis International (Deemed University) [SIU], India
