7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

? IALS Global Law Dean's Conference
Symbiosis Law School, Pune has won the competitive bid to host the 2017 Annual Meeting and Global Law Dean's Forum in November 2017. This forum will facilitate dialogue to strengthen the mission of Rule of Law through quality legal education. It will see the participation of Deans from some of the most reputed Law Institutions in the world.
This will ensure further internationalization, networking and promotion of joint research and publication.

? SYMHEALTH INTERNATIONAL CONFERENCE 2017
SYMHEALTH 2017 ? An International Conference of Healthcare in a Globalizing World (Fostering healthcare delivery through an interdisciplinary approach) was conceptualized taking into consideration the multi disciplinarian aspects governing the health care sector. It was divided into various tracks and Track III was led by Dr. Shashikala Gurpur. Dr. Shashikala Gurpur was responsible for ensuring wide publicity and motivation to scholars both national and international which resulted in the track receiving the highest registration of 1200. Altogether 54 abstracts were received out of which 41 were accepted and 14 full length papers were invited. Another contribution of the Law school was the participation of foreign delegates like Dr. John tingle, Dr. Linda Gibson and Ms Amanda Cartini from Nottingham Trent University, Prof. kris Gledhill from AUT and Ms. Sunita Dalal, Partner AC& H. Further notable feature was the unique style of hosting, presenting the track III which was undertaken by Dr. Shashikala Gurpur.

? REORGANIZATION OF PROGRAMME STRUCTURE
At the recent Board of Studies meeting, a new programme structure was adopted which will be implemented for batches 2017-2022 onwards. The major change that was implemented in this new programme structure was to incorporate all compulsory substantive and procedural laws within the first three years of the five year course. This was done keeping in mind that the students go for their most important internships after their third year and these internships may mature into a job offer. If the students complete studying all important substantive and procedural laws by the end of their third year, it will help them perform better during their most important internships thereby increasing their chances of getting a job offer.

? ANNUAL RESEARCH CONFERENCE 2016
The proceedings of the Annual Research Conference were published online in collaboration with Lexis- Nexis.

7.4 Contribution to environmental awareness / protection

Energy Conservation

1. We have started using LED lamps in place of filament lamps to conserve energy.

2. Every employee in SLS, Pune ensures that the lights and fans in every empty class room or other rooms are switched off after completion of the work.

3. Air-conditioners, projectors and other electric equipments that are used in the rooms are energy efficient.

4. Classrooms have sufficient cross ventilation and light to minimize the use of electricity. This shows the institutions commitment towards energy conservation.

5. SLS, Pune has set up LAWECON Cell for creating awareness on environmental issues.

Use of Renewable Energy

1. SLS, Pune understands the importance of using renewable sources of energy and is committed towards it.

2. SLS, Pune is planning to set up bio gas plant and install solar heating panel for the upcoming hostels.

Water Harvesting

SLS, Pune has undertaken multiple projects towards water conservation and harvesting.

1. SLS, Pune has set up a sewage water treatment plant which has capacity of recycling 210 kilo liters/day. We have current daily usage of 40 kilo litres/day which is currently used for domestic purposes.

2. SLS, Pune has also set up three bore wells for rain water harvesting.

3. Apart from this the students have participated in AmrutVarshaMahotsav and have helped the farmers for rice plantation. The main mission of this expedition is to help farmers in need of manpower and reach out to the farmers by helping them increase their output. The students help the farmers in the process of ploughing, sowing the seeds, watering the plants and cutting the crops in harvest season along with the farmers. Their tag-line is "Eak Divas Shetisathi, Shetkaraynchymadatisathi" which means ?to help the farmers, one day at the fields?.

Plantation

1. SLS, Pune has adhered to the standards of Municipal Corporation in leaving the space for plantation around the building.

2. We have planted 190 trees on the campus which are being supported by drip irrigation.

3. We have deployed 150 potted plants inside the building.

Hazardous waste management

1. Biomedical Waste (Management And Handling) Rules 1998 as prescribed by Ministry of Environment and Forests, Government of India is followed by Symbiosis Centre of Health Care (SCHC) for the disposal of biomedical waste.

2. SCHC has at all its campuses tied up with agencies for collection, treatment & disposal of biomedical waste.

E-waste management

3. SLS Pune is pro active in adopting the proper and systematic methods for disposal of e-waste i.e.

non-working computers, monitors and printers are discarded and scrapped on a systematic basis through authorized vendors. If some parts are useful, in other systems they are kept aside for future use.

4. Toners are refilled instead of replacing with new ones directly.

ECOCON

Faculty members and the students of ECOCON Cell of SLS Pune have participated in the Plastic Free Waste Campaign organized by the Pune Municipal Corporation on 13th February 2016. The campaign, for Symbiosis International University students at the Vimananagar campus was spearheaded by the Symbiosis Centre for Waste Management & Sustainability (SCWMS).

Also, the members have participated in Seminar on Current issues in Environmental law held on 29th August 2015 at ILS Law College.

SLS Pune has organized a Lecture on Role of Religions for the protection of environment by Dr. Tara Prasad Sapkota, Tribhuvan University, Kathmandu Nepal.

On 29th November the members of the ECOCON Cell, Symbiosis Law School participated in The Mutha River Walk which aimed to educate on the importance, course and the historic roots of the river and the life that existed around it.

Others

SLS, Pune has undertaken several steps to ensure that the campus is kept clean and to create awareness about environmental issues among students.

1. To keep campus always litter free, boards are placed in the campus .Wheeled dust bins are used for keeping the environment clean. We have contracted with authorized vendors to collect, transport and dispose of garbage generated in the campus
2. SLS, Pune is using shredder in place of incinerators to destroy excess paper and reduce carbon footprint.
3. SLS, Pune is a member of International Union for Conservation of Nature (IUCN). IUCN is world?s first global environmental organization which helps in finding pragmatic solution to world?s most pressing environment and development challenges.
4. Students and faculty of SLS, Pune have several publications and paper presentations on various environmental issues.

Majority of the law schools are single discipline universities & are in remote location.</p> <p>4. Opportunity to lead and contribute to quality legal education in India, as a leader in private sector</p> <p>5. SLS Pune Could continue in future as a favourite destination for international players with dual degree, twining programs and bridge courses, based on the visibility and engagement of leadership in leading bodies of NJA, BCI and international networks</p>

Threat/Challenges

1. More private law universities with global agenda emerging in many states and more national law schools evolving in Mumbai, Nagpur and Aurangabad.
2. Limited availability of government funds for research, being a private university
3. Possibility of entry of foreign universities in India in near future due to demand-supply gap in quality law schools
4. Lack of High Court bench in Pune city affects easy availability and access to resource persons from Bar & Bench
5. Absence of unified national regulatory body to monitor legal education and research at the national levels to allow private players to compete for public funds for research.

Criterion - VIII

8. Plans of institution for next year

To achieve the long term goals of institution (as mentioned under SLS, Pune MIS Goals and Objectives) in the most effective and efficient manner
Introduce new optional courses in BA/BBALL (Hons.) & LLB Programs related to latest developments in the country & globe.
