6.9 What efforts are made by the University for Examination Reforms?

Introduction of 10 point scale for the batch of 2015-20 and 2016-21 to match with the international standards. The following reformatory measures were also continued which were adopted last year:

Intech Eduwiz: This software enables the faculty to enter the marks and grades are generated. It brings in accuracy, speed and prompt output.

Scrutiny of paper setting: After the paper setting, it is scrutinized by both the English language and subject scrutiny. Finally scrutiny is done by the Director and then sent to SIU.

Moderation Committee: To review the entry of the marks in Eduwiz and check the allocation of grades.

Term end assessment programme (TAP): Assessment is conducted as per SIU rules. Separate marks are assigned for internal and external exam, in the ratio of 40 and 60.

Multi-level scrutiny for internal marks verification to avoid errors.

- In order to ensure that the internal evaluation system adopted is credible and acceptable, faculty members design their components for the courses handled by them. Open book exams that aim at developing the skills of critical and creative thinking have been used as a mode on internal evaluation component for select courses. Diverse components of evaluation including Case Analysis, Essays, Seminar Presentations, Viva- Voce, Quiz, Moot Court, Mock Trials, online tests and simulated Interviews have been conducted to ensure comprehensive evaluation. For select courses, to bring in third party perspective, industry experts were invited during summer project viva. Evaluation based on experiential learning has also been introduced. Jury based evaluation has also been adopted for courses relating to Design, media and Communication. Research based projects and assignments are given to students.
- An assignment and evaluation portal enables online submission and uploading of marks. Paperless documentation of take-home assessments have been adopted through Google Drive. Innovations in the internal evaluations include online certifications, integrated evaluation of multiple courses in form of Mock Investor Summit. E-resources such as HBR simulation and skill based internal assessment have also been used.
- To check unfair means and help to maintain discipline during internal exams, internal squad teams of faculty members for Unit tests has been constituted. MOOC have been added as a component of evaluation.
- Specialisation wise - Check and lock fresh semester courses in software by the University.
- Facility to hold Examination forms of students who are not eligible, as per ATKT examination rules.
- Facility to hold Examination forms of students who have not cleared their Eligibility.
- Alert message on student portal while filling online examination form regarding updating their NAD ID in their login.
- Facility given to students to update their AADHAAR No and NAD ID in their examination portal login.
- System report showing no. of students with/without NAD ID.
- Generate data – Programme / Batch wise to view details of the students who have updated/not updated AADHAAR No. / NAD ID.
- Students can verify AADHAAR No, NAD ID along with their personal details such as Name, Mother's / Father's name, in their Student Portal login before submitting examination form.
- Students can view timetable when they login into their portal
- Institute generate manuscript question paper envelope label as per the Timetable finalised by the University.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- IALS Global Law Deans' Conference

Symbiosis Law School, Pune won the competitive bid to host the 2017 Annual Meeting and Global's Law Dean's Forum in November, 2017. This conference set a benchmark of high academic rigor in the plenary and small group discussion sessions, thorough professionalism, meticulously planned sessions. One of the major objectives of the conference was to recommend several reforms in legal education keeping in mind several challenges in the foreseeable future. It is a matter of pride that SLS will be on the forefront in terms of implementation of these reforms as well as creating a greater dialogue for change. The IALS Global Law Dean's conference provided an opportunity for the faculty to interact with deans and faculty from 55 other countries and understand their best practices to incorporate them in our teaching learning.

- Herbet Smith Freehills (HSF)- Oxford International Lecture Programme

Symbiosis Law School, Pune, a constituent of Symbiosis International (Deemed University), was selected to host the prestigious Herbet Smith Freehills (HSF)- Oxford International Lecture Programme in association with Faculty of Law, Oxford University.

The lecture series was held from 5th to 9th February, 2018.

The HSF- Oxford International Lecture Programme veered around Acquisitions and Negotiation Foundation Skills dealing with translating Contractual Concepts into Business Transactions, Warranties, Indemnities, host of Case Studies and lawyering skills. The objective of the HSF- Oxford International Lecture Programme was to provide students a unique opportunity to learn practical skills such as negotiation from Mr. Chris Parsons, the Partner of an internationally acclaimed law firm through group exercises and quiz. The students were also provided a detailed insight into some of the great Constitutional cases from Prof. Timothy Endicott, Professor of Legal Philosophy from Oxford University. This experience and exposure was intended to help the students secure internships with such internationally acclaimed law firms. The programme was attended by 45 external students selected by HSF from various National Law Schools across India. HSF has also permitted 80 students from SLS, P to attend the same.

- EURASIA Project- Symbiosis Law School, Pune (SLS,P) received the invitation to be a partner of the EURASIA project which is about European Studies Revitalized across Asian Universities. This Project will be undertaken in association with Sofia University, Bulgaria. The project activities include the elaboration of original, innovative and methodologically grounded modules and courses on European Studies, upgrade and modernization of existing courses and developing unique ones addressing regional cooperation. Courses will be piloted in India and China; dissemination and exploitation activities are planned to make the new teaching content a permanent part of the curriculum in the two partner countries. The project proposes a coherent plan of training, expert meetings, joint development of teaching materials and extracurricular activities.

- Enhancement of activities under IP Cell:

There was a marked increase in the number of consultancy services provided to the faculty members of sister institutes of Symbiosis as well as students.

The IP Cell members of SLS Pune provide regular consultation for IP innovations in SIU.

The IP Cell facilitated 4 international patent applications for the SIU inventors.

Annual Research Conference 2017

The Sixth Annual International Research Conference on Contemporary Legal Scholarship scaled newer heights, having expanded its horizons from a national level to international level. It also added Legal Research Skills Training Workshop to give a practical and hands on training to the participants.

More internationalization with area-study programs, faculty exchange at national and international level to enhance academic reputation	The IALS Global Deans' Conference has created immense opportunities to take internationalization to new heights. The conference saw good representation from universities of African as well as Latin American countries, thus, being consistent with India's diplomatic policy of focusing more on the hitherto ignored countries for academic collaboration. The effect of this, for Symbiosis, was that several universities showed keen interest and inclination to enter into MoU's with Symbiosis International University. Several representatives of prominent universities promised to collaborate with SLS in terms of Summer School programs and the process for the same has been initiated. The initial outcome has been the visit of Dr. Henrico Radley from the University of Johannesburg who visited as a Visiting International Scholar and the subsequent MOU signed with Symbiosis International Deemed University and Symbiosis Law School, Pune. We are in the process of entering into an MOU with NUI Galway Ir

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Comprehensive internationalization:
Symbiosis Law School, Pune undertakes comprehensive internationalization in every aspect including curriculum development, student progression, administration and capacity building for faculty. In order to ensure such comprehensive internationalization, SLS, Pune has hosted the IALS Global Law Dean's Conference. After conducting the Global Law Deans' Conference in November 2017, there was a modification and updation in the LL.M. syllabus and curriculum of LL.M. program to suit the needs of the students and meet the international educational standards. SLS, Pune has also become a partner in the EURASIA project to further its goal of comprehensive internationalization which will contribute to capacity building by the faculty. Along with that, SLSP is also launching Asian Legal Studies and is in the process of drafting curriculum for African Legal Studies and post graduate diploma in European Legal Studies.

2. All round student progression and development for practice ready lawyers

SLS, Pune believes that the key to generate good professionals is to ensure a holistic development of their personality. Therefore, the curriculum, teaching pedagogy, events and activities organized by SLS, Pune is aimed at skill building and personality development in addition to knowledge transfer which will ensure that our students are practice ready and can adapt to ever changing nature of the legal profession. We also lay emphasis on inculcating ethical and moral character and instill in them the sense of justice worker. In this regard we ensure that students go through multiple forms of clinical training like moots, mock trial, legal advocacy, client counselling and trial advocacy, legal drafting, legal research, negotiation skills and multiple courses on professional ethics. To ensure a proper mental health we have also incorporated course on yoga and meditation as part of their curriculum.

7.4 Contribution to environmental awareness / protection

- Environment protection and its awareness has become one of the most pressing requirements in today's time. Environment and its protection is given top priority at the University and at its various institutes.
- Institutional Membership: SLS, Pune is a member of International Union for Conservation of Nature (IUCN). IUCN is the world's first global environmental organization which helps in finding pragmatic solution to world's most pressing environment and development challenges.
- Collaboration with National Green Tribunal: The National Green Tribunal, Western Zonal Bench, Pune in collaboration with Symbiosis Law School, Pune hosted the National Green Tribunal Conference Quiz on Friday 29th September 2017 from 10:00 AM to 1:00 PM in the Moot Court Hall of SLS-P. The quiz competition, a pre-cursor to the NGT western zonal conference, endeavored to create healthy and informed atmosphere among the participating student communities with the help of a competitive platform that promotes environmental awareness, all, with the purpose of facilitating among them a greater sense of comity. With a wide array of themes like, ecology, biodiversity, forests, wildlife, environmental law, green technology, climate change and natural landmarks forming basis for the questions, the quiz sought to generate curiosity about the environment and the need to save it.
- A large number of students and faculty members (Prof. Sujata Arya and Prof. Smita Pandey) participated in the National Green Tribunal Regional Conference which was held on 7th and 8th October, 2017.
- Use of Non- Conventional Energy and Energy Conservation
The sources of non-conventional energy used are as follows:
 - a) Solar energy is used for generation of electricity and water heating
 - b) The Biogas plant is being set and will be functional by July 2018.
 - c) About 30% of total consumption of energy comes from solar energy.
- Energy Conservation
 - a) We have started using LED lamps in place of filament lamps to conserve energy.
 - b) Every employee in SLS, Pune ensures that the lights and fans in every empty class room or other rooms are switched off after completion of the work.
 - c) Air-conditioners, projectors and other electric equipments that are used in the rooms are energy efficient.
 - d) Classrooms have sufficient cross ventilation and light to minimize the use of electricity. This shows the institutions commitment towards energy conservation.
- Water Management
 - a) Rain water harvesting is done through storm drains
 - b) Plants are watered through Drip Irrigation
 - c) There is a Sewage Treatment Plant installed on Campus. The recycled water is utilized in washrooms
- Segregation of Waste
Wet and Dry waste is segregated on campus. The wet waste goes into the Organic Waste Compost (OWC) unit. The compost generated from this unit is utilized as fertilizer for the plants on campus. Dry waste is collected by the Municipality.
- Plantation
 1. SLS, Pune has adhered to the standards of Municipal Corporation in leaving the space for plantation around the building.
 2. We have planted 190 trees on the campus which are being supported by drip irrigation.
 3. We have deployed 150 potted plants inside the building.
- Swachh Bharat Abhiyan
Adhering to the motto " Sanitation is more important than independence" a Swachh Vimannagar Abhiyan was

held on 2nd October, 2017 wherein students from institutes of Symbiosis in Vimannagar including those from Symbiosis Law School, participated in the same. The purpose of the initiative was to create awareness for better future and make India clean and healthy.

• Energy Conservation

SLS, Pune has set up LAWECON Cell for creating awareness on environmental issues.

Use of Renewable Energy

1. SLS, Pune understands the importance of using renewable sources of energy and is committed towards it.
2. SLS, Pune is planning to set up bio gas plant and install solar heating panel for the upcoming hostels.

Water Harvesting

SLS, Pune has undertaken multiple projects towards water conservation and harvesting.

1. SLS, Pune has set up a sewage water treatment plant which has capacity of recycling 210 kilo liters/day. We have current daily usage of 40 kilo litres/day which is currently used for domestic purposes.
2. SLS, Pune has also set up three bore wells for rain water harvesting.

Hazardous waste management

1. Biomedical Waste (Management And Handling) Rules 1998 as prescribed by Ministry of Environment and Forests, Government of India is followed by Symbiosis Centre of Health Care (SCHC) for the disposal of biomedical waste.
2. SCHC has at all its campuses tied up with agencies for collection, treatment & disposal of biomedical waste.

E-waste management

3. SLS Pune is pro-active in adopting the proper and systematic methods for disposal of e-waste i.e. non-working computers, monitors and printers are discarded and scrapped on a systematic basis through authorized vendors.

<p style="text-align: center;">Opportunity</p>	<ol style="list-style-type: none"> 1. Popularity of Pune as education hub 2. Demographic advantage: Yearly increase in quality undergraduate aspirants and expensive global and other private law schools place SLS Pune at competitive advantage. 3. dearth of practice ready graduates and quality legal skill based education 4. Majority of the law schools are single discipline universities & are in remote location. 5. Opportunity to lead and contribute to quality legal education in India, as a leader in private sector 6.SLS Pune Could continue in future as a favourite destination for international players with dual degree, twining programs and bridge courses, based on the visibility and engagement of leadership in leading bodies of NJA, BCI and international networks. 7. Indian Students going abroad for LL.M. and Ph.D. can be tapped. 8. Afro-Asian students seeking for an affordable destination to pursue higher education can be attracted with more visibility and highly qualified faculties.
<p style="text-align: center;">Threat/Challenges</p>	<ol style="list-style-type: none"> 1. There is a over supply of qualified lawyers in the market. However, more law schools are opening and oversupplying the graduates. 2. More private law universities with global agenda are emerging in many states. 3. More national law schools are evolving in Mumbai, Nagpur and Aurangabad. 2. Lack of incentive or special assistance to private colleges 3.Possibility of entry of foreign universities in India in near future due to demand-supply gap in quality law schools 4. Lack of High Court bench in Pune city affects easy availability and access to resource persons from Bar & Bench
