Dear Prof. Vaibhav Sonule,

Greetings from Internshala - India's largest internships and training platform.

It gives us immense pleasure to share that we successfully hosted our annual event - Internship Day'21 on 24th August this year ([see news](#)). During this four-month-long journey, we were able to provide 67,300+ summer internship opportunities to the students of our partner colleges across India.

To continue with our mission to equip students with relevant skills and practical exposure, we would like to associate with Symbiosis Law School for this academic year (2021-2022) and provide meaningful internship opportunities to each student. Since your college is already registered with us, we would suggest uploading all your students' details (first to final year) for a free Internshala account for them.

To know more, please visit here - <https://internshala.com/i/CR1-cr3850>

Why associate with us?

- Get access to 4 lac+ internships in reputed companies (virtual/part-time/full-time/PPO internships, etc)
- Provision of [bulk registration facility to register all your students in one go](#)
- Get a personalized dashboard to track your students' progress and get weekly updates
- Conduct internship awareness sessions in your college with the help of our toolkit

The last date to register is **16th September 2021**. There are no charges involved.

Please do not share this email with your students, only college authorities are allowed to register.

We look forward to building a meaningful internship culture with your college.

Regards,
Muskan Wadhwa

Dear Prof. Vaibhav Sonule,

Congratulations!

You have successfully registered 2790 students in total from your college on Internshala. Now every one of them has their own Internshala account through which they can apply to internships.

As a next step, **please ask your students to verify their registered accounts** by clicking on the verification link sent to their email ids. Only after verifying, the students will be able to apply to the internships of their choice and receive weekly internship updates.

Also, here are a few things you can do to make the most of your college's journey on Internshala:

- **Keep track of your students** - [Log in to your student activity dashboard](#) and view the overall report of your students' internship selections and registrations.
- **Share the quick-start guide** - To help your students make their first internship application on Internshala, we recommend checking out our [quick-start guide](#) and sharing it with your students.
- **Help students secure internships** - Check out the [preparation kit](#) which has a bunch of useful information for your students to help them successfully secure an internship.

Please let me know if you have any questions.

Look forward to a long-lasting association.

Many thanks,
Aayushi Sharma
