Those students who register themselves for CV verification in their Fourth years are given opportunity to apply for their placement through Campus. Approximately 257 students from BA/BBA LLB and LLB graduating in 2022 successfully completed their CV Verification. It is observed that in the current year of 2020-2021, more students got placement through our campus as compared to previous year. We are expecting that more students shall be receiving PPO which would increase the total number of placed students.
