SYMBIOSIS 1971 - PASSION FOR EXCELLENCE

The journey of a thousand miles begins with a single step. But it involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale. It is an inspiring tale and in the words of the founder of Symbiosis, Dr. S. B. Mujumdar, it says:

"It was afternoon on a hot day. I was standing near a window of my house overlooking the first hostel block, of which I was a rector. A strange thing happened. A girl walked up to the window of the boy's hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot.

So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low.

I was puzzled!!

When I turned to the boy for an explanation, he said, "Sir, I have an attack of jaundice and I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boy's hostel, she hands over the lunch box through the window."

I was stunned, after all, it wasn't the type of 'affair' I had expected. I was very much pained and decided something had to be done about this. That was the instance! A golden moment! **"Symbiosis was born"**.

Symbiosis is a term in life science, meaning 'living together of two different organisms for the benefit of each other. Dr. S.B. Mujumdar, himself a professor of botany, thought this name apt for the institution.

Thus, the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included- accommodation, meals, medical care, guidance, coaching, information about the city etc.

FROM THE CHANCELLOR'S DESK

Dr. S. B. Mujumdar

Chancellor

Symbiosis International (Deemed) University

Knowledge is the power to think clearly, to act well in the world's work, and the power to appreciate life. - Brigham Young

The quote above personifies the cardinal values of our institution. Every graduate of Symbiosis Law School, Pune, has inculcated these values, not only towards academic brilliance, but also towards moral understanding and considerations. This assurance comes from the fact that every student of Symbiosis Law School, Pune, has undergone a rigorous admission procedure, be it the five year programme, the three year programme, or the Master's programme.

Symbiosis Law School, Pune, has grown to be one of the top law schools in the country. Such standards are a product of our sheer belief that knowledge is power. And this knowledge is imparted through a symbiotic relationship between the faculty and the students. In pursuance of our goals towards internationalization, we offer innovative courses to our students to bridge the gap between fields that are legally united, but are culturally diverse. Our emphasis on research and publication, especially in international journals, holds testimony to this fact.

It is in the holistic education that we provide that the skills acquired by our students therein transform them into legal assets in diverse career pathways. However, the high placement rate at Symbiosis is only a small example of the vast impact of our institution. Our alumni have found their way to be sitting judges of various High Courts and subordinate courts throughout the country, members of governmental commissions, civil servants, and founders of legal institutions that has changed the landscape of law in India; some have pioneered their own initiatives that have altered people's lives for the better.

This legacy is renewed by every batch of students, and I give my best wishes to the 2022 batch of students, with a hope that they constantly strive to maintain the legacy.

I wish them all the best in their future endeavours!

It has been a perpetuating motto of the Symbiosis Family to promote **‘international understanding through quality education.’** The various disciplines taught across seven faculties under the aegis of Symbiosis International (Deemed University) portray the ideals of personal learning, which ensures holistic development and the subsequent pool of enigmatic and talented youth ready to take on every challenge.

With the concept of internationalization in our minds, enunciated by our traditional values culminating into **‘VasudhaivKutumbakam,’** the aim of Symbiosis International is to ceaselessly improve in order to create suitable conditions needed for a dynamic professional world. However, with the fast pace of the world, it has become ever so essential for us to also focus on inculcating our students with the core values of ethics and justice, thus, unifying cultural beliefs and modern approaches into an all-encompassing academic programme.

At Symbiosis Law School, Pune, each student is developed in order to strive for every zenith one can possibly reach in the legal arena. It is a haven of knowledge and professionalism. The intensive course provides students with ample opportunities to foster a deeper understanding of the law, both theoretically and practically. As each batch of Symbiosis Law School, Pune, moves into the judicial or corporate sphere, it also carries along the longstanding ideals of the institute. The symbiotic relationship not only leaves the institute enriched with a fresh perspective, but also creates a more transparent workforce. It is our sincere hope that with this batch as well, our relationship with the legal world will be further vitalized.

VICE- CHANCELLOR'S MESSAGE

Dr. Rajani Gupte

Vice Chancellor

Symbiosis International (Deemed) University

Symbiosis Law School, Pune has always given importance to research and pursuit of knowledge dissemination, which continues to be the lynchpin of its legacy. Every Institute prospers due to the hard work and contribution of the Director, faculty, and staff. But an institution gains its stature for eminence mainly when their alumni win laurels for themselves and their alma mater. It is also because of its steadfast alumni that Symbiosis Law School, Pune continues to enjoy its voyage of excellence and has completed 42 magnificent years of being a beacon in the sphere of legal education and justice work.

We take pride that our alumni engage and participate extensively in institutional endeavours, thereby contributing to the overall growth and success of the University. Mere words cannot convey my admiration of the achievements of the Symbiosis family and I hope continued efforts will only bring more prestige to the University.

DIRECTOR'S MESSAGE

Dr. Shashikala Gurpur

Director

Symbiosis Law School, Pune

Dean, Faculty of Law,

Symbiosis International (Deemed) University

The creation of Symbiosis Law School, Pune, as a keen community which would strive for not only academic excellence but more importantly to nurture individuals who are willing to better the world with their enhanced skills, has been a successful venture. With a hard-working student body and dedicated faculty, the institution has built a nest of teeming legal minds. The labours of vibrant alumni and an irreplaceable staff contributes to each effort that Symbiosis undertakes to create an environment that supports notions of justice and universal welfare.

The spirit of innovation and sustainable development runs through the veins of SLS, Pune, and the ideals of a globalised development innate in the very vision of the institute has led to each batch forming a unique community of intense intellectual exchange. The dynamic nature of the workforce in every avenue of law is reflected in the manner our curriculum transforms in order to adapt for the morphing career paths that each member of the SLS family shall tread on. It has been this understanding of the world's transient nature that has led our alumni to earn accolades in the legal field, government, non-profit organisations and corporate industries.

While our students walk through the rigorous courses handpicked for each batch, they learn to not only be good lawyers but better human being who find contentment in the field of law, one that has aimed at bettering lives of the unfortunate. While rankings are mere numbers, it creates an impetus within us to constantly strive for what the institute stands; global understanding and best legal practices. Thus, the students of the 2020 batch are more than well-prepared to take on the tasks and challenges the world has to offer and create another legacy for both Symbiosis Law School, Pune, and themselves.

My best wishes lie with the batch of 2022.

TEACHING METHODOLOGY

CLASSROOM

The faculty of SLS, Pune conducts lectures on an hourly basis with the students which constitute a major portion of the teaching. The Teaching plan and its execution is designed and executed in such a manner that it encourages students to participate in discussions and maximise class participations in order to make the sessions more interactive. Further teaching aids such as projectors, microphones, speakers and PCs, employed in all classrooms make the teaching process simpler and better.

GUEST LECTURES AND SEMINARS

In order to provide our students a better understanding over a particular topic and a holistic view of the legal application of concepts, various guest lectures with prominent national and international intellectuals are also organised very frequently as a routine teaching process. We at SLS, Pune encourage our students to take part in the seminars and Co-Curricular activities and often organise them at our campus as well. This not only gives a better insight into the topic, but also helps to improve the speaking and learning capacities of the students.

INTERSHIPS

We believe that classrooms can never teach everything to the student in a profession like law where one keeps learning throughout his life. We prefer that field knowledge is an integral part of the learning process. Hence, we encourage our students to take up more internships in order to gain more experience in their respective fields. Furthermore, a minimum of five internships each of not less than four weeks is necessary for graduation.

EXCHANGE PROGRAM

Our Exchange Programme is in collaboration with DAAD and includes several universities in Japan, Australia, Germany, Ireland, etc. It is a very unique feature of SLS, Pune as it helps not only in the exchange of ideas but also in different cultures, thoughts and mindsets, hence broadening the scope of our students' avenues, providing a sense of universal togetherness. THE STUDENT ADVISORY BOARD

The Student Advisory Board of Symbiosis Law School, Pune, is the prime body which consists of students with leadership qualities from all batches of Symbiosis Law School, Pune. The Board's primary function is to operate as a link between the management, faculty, and the student community. The Board was formed in 2009 as an initiative spearheaded by the Director, Dr. Shashikala Gurpur, along with the faculty and administration.

It comprises of a President and three Vice Presidents who oversee the functioning of seven committees namely, Academic and Research Committee, Alumni and Networking Committee, Extra-Curricular and Co-Curricular Committee, Public Relations, Media and Website Committee, Program Coordination and Support Committee, Regulatory, Audit and Budget Committee and Student Welfare Committee.

All members of the committees strive throughout the year to ensure that every minute detail of the college is given due importance. They are the role models of the college who come together as the Student Advisory Board, a key component to securing the incontestable heights and accolades achieved by the student community and Symbiosis Law School, Pune, as a whole.

Apart from this, the SAB is responsible for organizing a spectrum of student-led activities like:

STUDENT BAR ASSOCIATION

If good lawyering skills are essential for an advocate, mooting during law school is the greatest asset that a student can inculcate. At Symbiosis Law School, Pune, we understand this need to encourage mooting and aspire to create a healthy pool of young lawyers. The Student Bar Association (SBA) is the institution's student committee entrusted with fostering, administering and facilitating mooting activities and upholding the benchmark of excellence that Symbiosis Law School, Pune has set for itself.

The SBA tirelessly works to inculcate an interest in mooting and allied activities to help students grow into skilled oralists, researchers and drafters. In pursuance of this, the SBA follows a policy of encouraging participation in mooting from all batches. To allow them to compete on an equal footing, the SBA organizes extensive workshops and demonstrations to enable them to learn the process of mooting. Further, the SBA arranges for interactive sessions with experienced mooters and litigators from previous batches to guide the present mooters in a better manner. The SBA also organizes the 'Symbiosis Law School, Pune - Internal Moot Elimination' during the year which puts senior batches against the junior batches and the 'Novice Moot Elimination' to encourage the first years to take up mooting, and subsequently represent the college in numerous moot court, mock trials, judgment writing, client counselling and negotiation competitions.

Students who represent the college in the national and international mooting circuit are trained and assisted by not only the SBA members, but also by experts in various fields of law. Workshops are conducted regularly to help students hone their oratory and presentation skills. Memorials are reviewed and mock pleadings are conducted by both faculty and senior mooters to ensure that every team which represents the college has been given optimum training.

The institution along with the SBA has taken huge strides in providing impetus for the development of the competitions at both national and international levels i.e. Symbiosis Law School, Pune - National ADR Tournament and Symbiosis Law School, Pune - International Criminal Trial Advocacy Competition.

The zeal which students have towards mooting and the support offered by our faculty are reflected in our results. In the past, our students have represented and won laurels in prestigious competitions such as 25th Annual Stetson International Environmental Moot Court Competition 2021, Oxford Price Media Moot Court Competition 2020-21, 18th Willem C.
