Subject: Giving special chance to appear for Term End Examinations to students who have completed Validity of Terms and not completed the programme.

Dear Sir / Madam,

This has reference to the Board of Examinations (BoE) meeting dated February, 8, 2018 Resolution No. A-6: to consider giving special chance to appear for Term End Examinations to students who have completed Validity of terms and yet not completed the programme.

It is resolved that additional chance for one academic year may be permitted for immediate attempt after the Validity of Terms is over under the discretion of Hon'ble Vice Chancellor provided the number of courses yet to be completed by a student carry credits equal to or less than 10% of the total number of credits for the programme. This will be applicable for all batches from Academic Year 2018-19.

Further it was discussed if a student has cleared internal component but failed in term end component or vice versa the credit for the entire course be calculated as pending credits. All the components of the course must be cleared to count the completed credits.

Thanking you,

Yours sincerely,

Controller of Examinations
