5. PREPARATION OF MERIT LIST & ALLOTMENT OF SPECIALISATION FOR SLS PUNE:

Step 1: Generic Merit List:

5.1.1 Process of preparation of first merit list: Preparation of consolidated/generic merit list: A consolidated/generic¹ merit list will be prepared as per the AIAT score and total intake for open and other reserved categories.

Hypothetical Example²: If there are a total 50 seats for the open category, the institute will add around 20% to 30%³ extra i.e. $50+13=63$ and prepare the consolidated/generic merit list of 63 candidates from the open category. These 63 candidates will be selected based upon their AIAT score irrespective of their preferred specialization.

Step 2: Allocation of specialisation: -

5.1.2 Allotment of the specialization to the candidates selected in consolidated/generic merit list: The candidate, who is selected in the consolidated/generic merit list, will be allotted a particular specialisation depending on:

(a) The marks scored in AIAT;

¹ A consolidated/generic merit list will be based upon the actual score of AIAT irrespective of specialisation selected by the candidate.

² Kindly note this example is not based upon the actual number of seats and specialization offered by the institution. This example is provided merely for the purpose of understanding the process and shall not be construed as a binding rule for the purpose of number of seats and specialization offered by the institution.

(b) The preferences of specialisations provided by the candidate while filling out the registration form for AIAT.

Allocation of the specialisation will be based upon the cut-off marks of the concerned specialisation as determined from the merit list and the number of seats in each specialization. The total number of seats shall be equally divided among all the offered specialisations in a particular academic year.

***Note:** The offering of a specialisation in a particular academic year will be subject to minimum 5 admissions in the concerned specialisation group.

5.2 Process of allotment of specialization to the candidates selected in consolidated/generic merit list: After the preparation of consolidated/generic merit list, the institute will start allotting the specialisation for each candidate from consolidated/generic merit list based upon their marks in AIAT and preferences selected by the candidates. The Institute will start with the first candidate.³ He/she will be given his/her first specialization. In this hypothetical example, the process will go on till the 10 seats for open category are filled for each specialisation. If a candidate has selected “Business & Corporate Law” as his/her first preference and 10 seats are filled in “Business & Corporate Law”, the institute will allot his/her second preferred specialisation according to his/her marks in AIAT. The candidate will not be allotted his/her first specialization i.e. “Business and Corporate Law” because 10 seats allotted to Business and Corporate Law are exhausted. He/ She will be allotted his/her second preference. If the 10 seats for the course selected as 2nd preference are also full, the institute will allot third or fourth preference provided by the candidate while filling out the registration form.

Kindly note, in case a candidate does not fall within the merit list of any 4 of his/her preferred specialisations according to his/her AIAT marks, the institute has the discretion to allot an appropriate specialization to the candidate from the remaining available specializations.

5.3 Subsequent to the allotment of specialisation, a specialisation-wise merit list shall be published and offer letter shall be sent to the merit listed candidates.

5.4 The Institution shall provide admissions in all the specialisations as per the merit, however, the waitlist number of the candidate is subject to variation as per rule no. 5.5.2 of One Year LL.M Admission Process & Rules, 2020. Therefore, no wait list number will be provided/assigned to the waitlisted candidates.

5.5 Process of preparation of second merit list:

After the last date for admission as per the first merit list, the institute will check the total admitted candidates and based upon the seats available in each specialization, the following process will be followed:

5.5.1 Forfeiture and deemed forfeiture: If a candidate is offered first preference in first merit list but has not taken the admission: The candidate who has not taken admission after offering his/her first preference of specialisation (refuses or does not take admission) within the

stipulated period will forfeit his/her claim of admission. It means his/her candidature will not be considered for second and subsequent merit lists. No email or any communication for negotiating or requesting change in admission shall be admissible. It cannot be raised as a ground for holding the seat or right to admission.

Hypothetical Example: If Mr./Ms. "A" is offered his/her preference -1 in the first merit list, but he/she didn't take admission before deadline of the admission for the first merit list and requested more information or change of specialisation, Mr./Ms. "A" will not be considered for second merit list. Since, Mr./Ms. "A" has not taken admission after offering his/her first preference given by him/her; he/she will forfeit his/her claim of admission in second and subsequent merit lists.

The above logic will be applied while preparing the second & the subsequent merit list.

5.5.2 If a candidate is offered second, third or fourth preference in the first merit list but he/she has not taken the admission:

a) If a candidate is offered admission in his/her second/third/fourth preference but he/she does not take the admission at SLS Pune, the candidate will be waitlisted and will be considered for second merit list subject to availability of seats. In the second merit list, allotment of specialisation will be done according to seats available in the specialisations, his/her AIAT score and preference of specialisation given by him/her at the time of registration.

5.5.2.1 The following process will be followed for the allotment of specialization:

a) If a candidate is allotted his/her fourth preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first, second and third preference.

b) If a candidate is allotted his/her third preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first and second preference. His/ Her candidature will not be considered for third and fourth preference.

c) If a candidate is allotted his/her second preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first preference. His/ Her candidature will not be considered for second, third and fourth preference.

5.5.3 If a candidate is offered second/third or fourth preference in the first merit list and has taken the admission at SLS Pune:

If a candidate is offered his/her second/third or fourth preference in the first merit list and has taken admission at SLS Pune, the candidate will be given the option to change the specialization.

5.5.3.1 Process for change of specialisation after taking admission at SLS Pune:

- The admitted candidate may make an application within the stipulated time to change his/her specialisation.
- The application for change in specialization will be considered keeping in view:

- a) the candidate's score in AIAT.
- b) cut-off marks of the concerned specialization in subsequent merit list;
- c) the number of vacant seats in the concerned specialisation.

5.5.4 If a candidate is offered first/second/third or fourth preference in first or any other merit list and has taken admission at SLS Pune and cancelled the admission subsequently:

If a candidate has taken admission in any specialisation and cancelled the admission for whatever reason, the said candidate will forfeit his/her claim of the admission in subsequent merit lists.
