

## 11TH SURANA & SURANA INTERNATIONAL TECHNOLOGY LAW MOOT COURT COMPETITION, 2012

The 11th Surana & Surana International Technology Law Moot Court Competition, 2012 was different from other moot courts in terms of objective and theme. There are many Moot Court Competitions that deal with areas such as Constitutional Law, Criminal Law, Intellectual Property Law and the like; Surana & Surana International Technology Law Moot Court Competition, is one of its kind as it deals specifically with International Technology Law. It has created a niche for itself in the Mooting Circuit.

While the main objective, theme and format of the 11th edition of this competition is similar to that of its predecessors, a few things have been changed. A conscious effort had been made to bring in judges who have specialized in the field of Technology Law. The judges for the final round included Hon'ble Justice U.D. Salvi, Adv. Pavan Duggal and Mr. Ajay K. Dutta, all of who are experts in this field in their own right.
